Accomplishments 1965

Formal Opening of Public Works Building

1. Construction of the new public works garage on Jenness Hill Road, to house all the town's equipment.
2. Completion of a new parking lot at the corner of St. James Street and Main Street, to provide off-street parking for 40 cars, on land belonging to the Advent Christian Church.
3. Construction of two new comfort stations, one at beautiful Prescott Park, and one at the busy waterfront area on Meredith Bay.
4. Completion of additional Prescott Park improvements: night coin-operated lighting for tennis and basketball courts; new little league ball field; face-lifting of the old ball park by raising and re-seeding of infield; and building a tots' play area.
5. Installation of a rustic foot bridge over the canal at Hesky Park, protecting the public from walking on busy Route 3 to gain access to the picnic area and the boat launching area.
6. Setting out of 61 shade trees, to replace elm trees which are rapidly dying of Dutch elm disease. This program will continue again this year.
7. Purchase of a new police cruiser and one new highway truck. Our equipment fleet must be kept up-dated for efficient service.

8. Addition of a truck-type street sweeper broom to facilitate sweeping of in-town hot-topped streets. Manual labor for this type of work is outmoded. We are sweeping all our hot-topped streets in two hours, three times per week.
9. New road construction: Cattle Landing, .5 mile; Oak Island and Observatory Roads, on Spindle Point, .4 mile; Chemung Road widening and black-topping, 1 mile. The latter was T. R. A. work.
10. Acceptance of 1.2 miles of new town road on Winona Shores, a new development of some 40 lots which are expected to be developed this year.
11. 400 feet of underground drainage installed on east side of Gould Avenue.
12. 125 feet of sewer main installed on Clough Street, which is further pollution protection for Waukegan Lake.
13. Repair of municipal docks on Meredith Bay, necessitated by ice damage in the spring of 1965, amounting to \$4,104.00. These docks are now being "watch-dogged" by "Herbie" Waldron so it won't happen again.
14. Installation of name signs on all outlying roads and streets, a much-needed improvement and a great aid to doctors, tourists, etc.

State of New Hampshire
Meredith Town Warrant

To the Inhabitants of Meredith, qualified to vote in town affairs:

You are hereby notified to meet at the Municipal Building in said town on the second Tuesday of March next, from 9:00 A. M. until 6:00 P. M., for the casting of ballots and at 7:30 P. M. at the Robert Pottle Memorial Auditorium in the Inter-Lakes High School, in said Town, to act on the following articles:

1. To bring in your ballots for Town Clerk for one year, one Selectman for three years, one Treasurer for one year, one Trustee of Trust Funds for three years, two Library Trustees for three years, one Water Commissioner for three years, and two Park Commissioners for three years.
2. To choose other necessary town officers.
3. To see if the town will vote to authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes for the current year, and issue notes therefor, said notes to be repaid during the current municipal year.
4. To see if the town will vote to authorize the Selectmen to sell at public auction tax-acquired property.
5. To see if the town will vote to raise and appropriate the sum of \$1,278.78 for the Town Road Aid and construction, maintenance and reconstruction of rural post roads, and Class V highways, provided the State will set aside the sum of \$8,525.17 for this purpose.
6. To see if the town will vote to raise and appropriate the sum of \$1,000.00 to help defray the expense of the Information Booth. (By request of the Meredith Civic Association.)
7. To see if the town will vote to raise and appropriate the sum of \$2,000.00 for the Meredith Bicentennial Fund, which money shall be expended to defray the expenses of a suitable bicentennial celebration in 1968. (\$3,000.00 has been appropriated in past years, and is on deposit in the Meredith Village Savings Bank.)

8. To see if the town will vote to raise and appropriate the sum of \$5,000.00 for the erection of baseball dugouts, a wire back stop, erection of a protective cedar fence at Prescott Park, and continuation of the tree planting program this year. (Requested by the Parks Commission.)
9. To see if the town will vote to raise and appropriate the sum of \$3,140.00 for the benefit of the Laconia Hospital. (By request of the Laconia Hospital Association.)
10. To see if the town will vote to raise and appropriate the sum of \$1,306.20 for the benefit of the Lakes Region Association. (By request of the Lakes Region Association.)
11. To see if the town will vote to authorize the Selectmen, at the request of the Board of Water Commissioners, to borrow a sum or sums not to exceed \$45,000.00, for the construction of buildings, maintenance, repair, and expansion of said Meredith Water Department system. Any sums so borrowed shall be repaid from the income earned by the Meredith Water Department, and all sum or sums so borrowed shall be expended at the direction of the Board of Water Commissioners of Meredith.
12. To see if the town will vote to raise and appropriate the sum of \$7,700.00 for participation in an Urban Planning Assistance Program, known as the '701 Program'. Total cost of this program is \$23,100.00; however, the federal government would pay the remaining \$15,400.00 if the town votes for this article as recommended by the Planning Board.
13. To see if the town will vote to authorize and empower the Selectmen to plan, construct, and lay out an extension of the common sewer, from its present terminus on South Main Street by the White Mountain Power Company building, in a southerly direction along the Old Ladd Hill Road, to the junction of Terrace Avenue; thence running in a southeasterly direction along Terrace Avenue to its terminus; also from the junction of Terrace Avenue and Old Ladd Hill Road to continue in a southwesterly and southerly direction along said Old Ladd Hill Road to its intersection with U. S. Route 3; thence across U. S. Route 3 to its terminus at a point near Harts' Restaurant, so that the residents of said area may be served with common sewerage.

And further to authorize and empower said Selectmen to engage all engineering and contracting services

incident to the construction of said extension, and to raise such sums of money, not to exceed \$25,000.00, as may be necessary to defray the cost of said extension of said common sewer.

(The above article is based on the availability of State and/or Federal funds to assist in the construction of this sewer. If such funds are not available, the town will not construct said sewer.)

14. To see if the town will vote to authorize the Selectmen to purchase replacement fire-fighting apparatus, and to further authorize the Selectmen to borrow a sum of money, not to exceed \$20,000.00 for such purpose; said sum of money to be obtained by the issuance of a series of five (5) notes for \$4,000.00 each, to repay said loan. The first payment of said loan would become due in December, 1967, and subsequent yearly payments, plus interest, until final payment is made in December, 1971.

This article is recommended by the Board of Engineers of the Meredith Fire Department, and if approved, the Fire Department plans to dispose of the Model A hose cart and the 1935 pumper, and to replace them with a new combination tank and ladder truck.

15. To see if the town will vote to raise and appropriate the sum of \$500.00, said sum to be given to the Lakes Region Mental Health Association for mental health clinic use. (This article has been requested by the Lakes Region Mental Health Association, Inc.)
16. To hear the report of the budget and act thereon.

February 21, 1966

We hereby certify that on this date, the Twenty-first day of February, 1966, we caused to be placed an attested copy of the within warrant at the place of meeting specified, and a like copy at the Town of Meredith Municipal Building, and a like copy at Kimball's Store, public places in said Town. We also caused to be filed a true copy at the office of the Town Clerk, at Meredith.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 21, 1966

Board of Selectmen
Meredith, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Meredith for the fiscal year ended December 31, 1965, which was made by this Division in accordance with the vote of the Town.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library Treasurer, Trustees of Trust Funds, Municipal Court, Water Department and Fire Department.

FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1964 - December 31, 1965: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1964 and December 31, 1965, are presented in Exhibit A-1. As indicated therein, the Net Debt increased by \$20,934.84 in 1965.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Net Debt

Net Budget Deficit	\$ 3,768.90
Notes Issued	65,000.00
Tax Liens Transferred to Tax Deeds	280.13
Surplus Used to Reduce Tax Rate	7,500.00
	<hr/>
	\$ 76,549.03

Decrease in Net Debt

Bonds Paid	\$30,000.00	
Notes Paid	25,550.00	
Tax Collector's Excess Credit (Net)	64.19	
		<hr/>
		55,614.19
		<hr/>
Net Increase		\$ 20,934.84

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1965, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net overdraft of appropriations of \$7,823.78, less a revenue surplus of \$4,054.88, resulted in a net budget deficit of \$3,768.90.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1965, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1965, is indicated in Exhibit B-2.

Water Department:

The Balance Sheet, Statement of Receipts and Expenditures, Summary of Water Rents Receivable and Summary of Consumers' Deposits Account of the Water Department, are presented in Exhibit H-1, H-2, H-3 and H-4, respectively.

Statement of Long Term Indebtedness: (Exhibit I)

A statement of outstanding long term indebtedness as of December 31, 1965, showing annual debt service requirements, is contained in Exhibit I.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as in-

licated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) decreased by \$11,484.84, from \$26,553.20 to \$15,068.36 in 1965, as shown herewith:

	Dec. 31, 1964	Dec. 31, 1965
Total Assets	\$218,414.99	\$181,063.05
Current Liabilities	191,861.79	165,994.69
Current Surplus	<u>\$ 26,553.20</u>	<u>\$ 15,068.36</u>

Town Treasurer:

The Town Treasurer should adopt the use of the following books of record which are part of the uniform system of municipal accounting prescribed by this Division, which all Town Treasurers are required to maintain:

- (1) Town Treasurer's Cash Book in which all receipts and expenditures are recorded in detail.
- (2) Note, Bond and Coupon Register. Every issue of Town Notes and/or bonds should be recorded in this book and maturing principal and interest payments entered therein.

Unredeemed Taxes:

It is noted that there were unredeemed taxes from tax sales on account of the levies of 1962 and prior years as follows:

	Unredeemed Taxes
Levy of 1962	\$1,747.65
Levy of 1961	1,485.11
Levy of 1960	102.61
Levy of 1959	11.35
Levy of 1958	107.60
	<u>\$3,454.32</u>

Inasmuch as the two year period for redemptions, as provided by law, has expired, the Tax Collector should issue deeds to the Town on all properties represented by these undischarged tax liens.

Conclusion :

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report.

We extend our thanks to the officials of the Town of Meredith for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER

Report of the Planning Board

This past year the planning board again considered its special and unique function in the community, that of the obligation to formulate a master plan for the guidance of a prosperous future for Meredith. The state law under which the planning board was formed states in part (1955, Chapter 36:13), "It shall be the function and duty of any planning board established under the provisions of this chapter, to make and to perfect from time to time, so far as funds appropriated by council for such purposes will permit, a master plan for the development of the municipality, . . . "

In the past, the board's studies showed that the compilation of a proper master plan with the assistance of a professional planner would cost between \$20,000 and \$30,000. This cost was considered prohibitive. Early in the year, the board was informed that matching federal grants under the administration of the State Office of Planning were available to communities for planning purposes. A nine-month intensive investigation ensued.

It was escertained that by participating in the Federal "701" program, the preparation of a master plan would be economically feasible as the Federal Government would bear two-thirds of the cost.

A number of consulting firms were interviewed, and Hans Klunder Associates of Hanover, New Hampshire, was selected. The total cost of the master plan would be \$23,100.00, and the Federal Government would grant \$15,400.00, providing the Town would appropriate \$7,700.00 as its share.

At the completion of the investigation, the board recommended to the selectmen that an article concerning this matter be included in the Town Warrant for consideration by the voters at the 1966 Town Meeting.

During the year, Geraldine Roberts, Robert Valliere, and Harold Wescott resigned from the board, and Leo Kershaw, John Farrington, and Osbert Rafuse, respectively, were appointed by the selectmen in their stead.

Report of The Parks and Playgrounds Commission

Town Officials at Dedication of Prescott Park

At the first meeting of the board Mr. Charles Dunleavey was elected chairman and Mr. Philip Swett secretary. At the second meeting an inspection tour of Meredith's parks and playgrounds was made to acquaint the two new board members, Robert Valliere and Robert Curtis, with the problems and possibilities of each area.

The first undertaking of the new board was to erect a comfort station at Prescott Park, followed by the development of a tots' playground area, consisting of see-saws, swings, slides, and sand boxes, which was enjoyed by the small children of the town.

A hearing was held relevant to the erection of a comfort station at the Town Dock area. After the special hearing, the board and the selectmen agreed to the construction of the comfort station which was completed in August.

Lighting of the basketball court and tennis courts was completed, which permitted the use of these courts to working individuals during the evening hours.

A scenic bridge over the canal, designed by Rev. Flewelling, was installed during the summer, and two new fountains were erected at the Town Dock area.

Perhaps the most rewarding day was the dedication of Prescott Park on Saturday, August 28, 1965. Present were the immediate family of Mr. Frank Prescott, who donated the land to the town, and all the town officials. Following the dedication, the first annual Field Day for the children of Meredith was held, consisting of races, games, and tennis matches. To finish the day, entertainment was presented by the Lakes Regionnaires Drum and Bugle Corps, followed by a softball game under the lights and a dance on the basketball court with music provided by local youths, the Outcasts. The success of this day could not have been accomplished without the help of the Meredith and Center Harbor Fire departments, who played a Donkey Baseball game to help finance the project.

After all activities ceased at Prescott Park, bulldozers and trucks moved in to complete the second Little League diamond and the baseball diamond to be ready for use in the spring. Due to an error in figuring grades on the original specifications, more fill was needed than was anticipated to complete these ball fields. Therefore, \$2,000.00 of this year's appropriation will be used to pay the contractor.

The future program of the board includes the development of Leavitt Park. The Parks and Playgrounds Commission has asked the assistance of Mr. "Wink" Tapply, recreation director of the N. H. Department of Economic Development, to propose a ten-year plan for development of Leavitt Park to its fullest potential.

We want to take this time to thank all the people in the community who helped to make our Field Day a success, and for the excellent care and respect they have given the parks and playgrounds developed for their use.

Librarian's Report

The long-range plans for State-wide Library Development are nearing fruition. Advisory Councils were set up in four districts in the State. We are in the Concord District. Your Librarian was elected Vice-chairman of the District. She was also appointed Chairman of the Qualifications Committee, whose duties are to recommend standards of public library service. The recommendations are then voted on by the Council and forwarded to the State Library Commissioners. As of this date there are no official standards for libraries in the state of New Hampshire. These will evolve from the recommendations of the four District Councils and the decisions of the Commissioners.

The Legislature approved a bill authorizing the distribution of \$28,500 as grants-in-aid to libraries in the development plan. This becomes effective July 1, 1966. The amounts per library will be determined by the State Librarian and the Commissioners. Libraries designated "Service Centers" will receive the largest grants, but all participating libraries will receive a grant.

Cooperative book-buying still continues. The meetings are held nearer, usually in Laconia for us.

For National Library Week, April 25th-May 1st, we held a poster contest for the students in Humiston School. A book, chosen by the teacher, was given in the name of the winning child, to each room. We invited the parents to view the posters on Tuesday night of that week. Refreshments were provided by the Friends of the Library.

Mrs. John Beede made a most attractive poster for book week, October 31st - November 6th. Many new juvenile books were put into circulation at that time. The children were given booklets of fiction and non-fiction from which to select reading material.

From the proceeds of their sales and a card party, the Friends of the Library donated two book-cases for the reference room. They gave their services to aid in the proper arrangement of the back issues of the magazines. They had a most interesting speaker, Mr. Robert C. Nilson, who told of "Life on a Chinese Junk", illustrating his talk with impromptu drawings.

Our total circulation for 1965 is 30,363; 11,440 adult, 18,923 juvenile. We purchased 931 books, including the Encyclopedia Americana and the N. H. Revised Statutes Annotated. We had 1,533 books from the Bookmobile.

A record for some weeks was kept of the number of

patrons using the library on Friday nights. The largest number of patrons was 4, and the largest circulation, 15. The Trustees approved the closing of the library on Friday nights and opening Saturday mornings. We have had better use of the library with these hours.

Several members of the Community Garden Club assisted in pruning the shrubbery at the west side and we hope to do the same to the east side in the spring.

The overgrown shrubbery in front was removed and new plantings of yew, lilac and Burning Bush set in. This has vastly improved the looks of the approach to the library.

A series of new shelves have been added in the juvenile non-fiction room. These are sorely needed, relieving the congestion there and making room for new books for this age level.

Our Assistant, Mrs. Elaine Colby, resigned in August to accept a teaching position at Belknap College. Mrs. Ruth McHugh who has been with the library for 5½ years, has accepted longer hours. Mrs. Marilyn Rushton has been hired as second assistant.

We sincerely appreciate the gifts of books and money from the Community Garden Club, the Woman's Progress Club, and people making memorial gifts of books or money. These all enhance the value of the library to the community.

We would appreciate having the citizens of our community make suggestions of any services we do not now offer, or to present ideas on how the services offered may be improved. To poach a line from our Town Manager, Mr. Scribner, "Remember this is YOUR Library!"

Meredith Water Department

Report of Water Commissioners for 1965

Because of the change in billing dates from January 1st and July 1st to April 1st and October 1st and the resulting decrease in revenue for the first ten months of 1965, this department had to operate as conservatively as possible during the past year while still endeavoring to maintain proper service.

During the year, six inch mains were extended north on Route 3 from Meredith Motor Co., Inc. to the new Meredith Lanes and also from Route 3 along the Jenness Hill Road to serve the new town garage. Both of these extensions were built under guaranteed agreements with a minimum of expense to the department.

One new hydrant was installed on Jenness Hill Road which will provide additional fire protection for the new town garage and others in the general area.

Although the treatment plant has been in operation since March of 1964, the State Water Pollution Board has never been satisfied with the operation of the meter used at that location. It is apparent that a great variance of water flow takes place in Meredith and this requires a highly specialized metering device to properly measure both the very high and very low flows that occur. Consequently, last fall we were forced to order a new meter which will cost about \$2,000.00 This meter has been approved by State officials, was recently delivered to the treatment plant site, has now been paid for and will be installed as soon as possible. When completed, this will provide much more accurate measurements for proper treatment and safer water.

At this point we wish to emphasize the fact that the water is tested every month and, although it will sometimes have a peculiar taste and odor due to dead leaves, pine needles, etc. entering the reservoir during periods of surface water run-off, these tests have always been satisfactory.

Barring any further unexpected but necessary expenditures, it is our hope that, during 1966 we will be able to drain and clean the reservoir, finish repairing the gate structure, the gates, screens and the reservoir grounds. This work will probably be done in the fall and, if all goes well, we also hope to make further changes at the pump house which will improve and safeguard our operating efficiency.

We have been in touch with Federal authorities and are hopeful that some of this work can be done with the aid of Federal Grants which would help our financial condition considerably.

Once the above work has been completed, we plan to start a program of cleaning and replacing mains and also connecting some of the dead end lines which are now causing difficulty in some areas.

We have also reviewed our high use rate and decided to add three additional steps so that our General Service Rate will now read as follows:

Zero to	5,000	Cu. Ft. @	\$20.00 (Min. Charge)
5,001 to	100,000	Cu. Ft. @	.30 per 100 Cu. Ft.
100,001 to	400,000	Cu. Ft. @	.25 per 100 Cu. Ft.
400,001 to	700,000	Cu. Ft. @	.20 per 100 Cu. Ft.
700,001 to	1,000,000	Cu. Ft. @	.15 per 100 Cu. Ft.
All over	1,000,000	Cu. Ft. @	.10 per 100 Cu. Ft.

During the year we managed to collect most of the delinquent accounts which were outstanding on January 1st of 1965 and believe we can continue to control this situation. To those who may be having difficulty, we wish to point out once more that we will gladly arrange for monthly payments of delinquent accounts if you will make your desires known to us.

Total delinquent accounts as of December 31, 1965 numbered 233 and amounted to \$10,704.43, the bulk of which is for October 1965 billings.

Report of the Town Nurse

From June 1, 1965, to December 31, 1965, I have made 502 home nursing visits, which include giving tub and bed baths, injections, blood pressures, enemas and dressings. There were also many home visits made to check the elderly, see the new-born, deliver clothing, etc., which do not require nursing procedures but mean so much to have the nurse stop in.

The bedside equipment is in constant demand. Crutches, walkers, hospital beds and wheelchairs we are happy to loan.

Our churches, DeMolay, Elks, Legion, Lions, Rotary and Salvation Army have generously donated Christmas and Thanksgiving Baskets, money for clothing, boots and layette and have made it possible for four youngsters to go to summer camp. Many individuals have given clothing, bed linen, shoes, medical supplies and cooking utensils which have been distributed and were greatly appreciated.

I attended the Red Cross Disaster program in Laconia; also the Disaster Institute, which was an all-day meeting in Concord.

I assisted at the Blood Mobile in Center Harbor, and our own, sponsored by the Meredith Fire Department.

I assisted the school nurse, Mrs. Amy Brown, at the pre-school registration, and to administer the sterneedle T.B. tests to grades 1-8, and worked at the chest clinic at Laconia Hospital; sponsored by the New Hampshire Department of Health.

I have been very happy in my new work these past seven months, and many thanks to my Board of Directors, Drs. Cataldo, Nadeau, and Vazifdar for their patience and cooperation in making my new undertaking so pleasant.

My services are available to all residents of Meredith, and my office hours are Monday through Friday, 9:00 to 9:30 A.M., and 1:00 to 1:30 P.M.

Respectfully submitted,
(Mrs.) Orilla M. Richards, R.N.

Annual Report

Public Health Nursing Association

At the annual meeting of the Meredith Public Health Nursing Association on January 11, 1966, the following officers were elected: President, Mr. J. James Treloar; Vice-President, Mrs. Herman Olsen; Secretary, Mr. George C. Bauer; and Treasurer, Mr. John W. Beede. Directors elected were Mr. Osbert Rafuse, 1 year; Mr. Leo Kershaw, 2 years; and Dr. Marjorie Woodman, 3 years. The nominating committee was composed of Mrs. Philip Swett, Mr. Ernest Cummings, and Mr. Bruce Sanderson.

Dr. Jay Vazifdar, our local physician, gave a very informative talk on "Socialized Medicine". His first-hand experience with the British program pointed out the pitfalls that face a doctor and his patients. After hearing his resume on socialized medicine, it is doubtful that anyone after serious thought would support a regimented medical program under the control of politicians, which is foreign to their knowledge and abilities.

The Public Health nurse, Mrs. Orilla Richards, joined the Public Health Nursing Association in June. She reported 502 visits since June. It should go on record that these 502 visits were actual treatments. The activities of the nurse are not confined, however, to treatments only. Visits to patients and their needs in the way of hospital equipment, getting to and from the hospital or doctor when transportation is not available, instructions and help in filling out forms for assistance, are but a few of the duties carried on which are not recorded. Please feel free to avail yourself of Mrs. Richards' services when illness and personal problems relating to health, welfare, and rehabilitation arise.

The annual membership drive netted \$440.00 dues and donations. Gifts of clothing, bedding and equipment donated by this community are greatly appreciated.

Respectfully submitted,

1965 Police Report

The police report this year shows a decided increase in department workload — as an example there were 120 accidents investigated, 53 more than in 1964, and one-car accidents doubled over the previous year. Eighty-two more court cases were processed this year.

With the many duties of your police, such as answering complaints, making up of warrants, covering accidents, and many other services as listed in the detailed report, another full-time officer will soon be needed. Meredith has a valuation in excess of \$26,000,000 in assessable property, and an estimated 10,000 people in the summer, with approximately 120 miles of town roads. We presently have a three-man force on call 24 hours a day, working 6 days a week. Eventually this will have to be cut to 5 days and another officer added.

A dispatcher is needed, to take phone calls, answer radio, etc., for all departments between 5:00 P. M. and 8:00 A. M. during the week, and 24-hour service on Saturdays, Sundays, and on holidays.

During this past year, dog complaints continued to cause the leading headaches — 169 complaints in all. Cats also were a source of complaint — in 9 different instances it was brought to our attention this past fall that stray cats, half-starved near summer homes, were abandoned. We assume they were pets left behind. Several were taken to the Humane Society, while others became too wild to catch and had to be destroyed.

This year, as in the past, we received many complaints in regard to target-practicing with rifles; some were complaints about children who have been allowed to roam, carrying .22 rifles, and shooting at will. A few cases resulted in malicious damage, and the majority of these complaints came from the Meredith Neck area. Meredith has a target range located on Quarry Road in an old stone quarry, and people are welcome to use this range by merely asking for the key to the gate. I hope more individuals will take advantage of this rifle range, as I believe rifles should not be

allowed in or near the compact settlement of the town, or in any area close to homes and cottages.

In closing this report, I would like to thank the Auxiliary Police for taking part during the Memorial Day Parade, Hallowe'en, Christmas Party, dog races, and also I would like to thank those who served as members of the Belknap County Crowd Control Squad which was on duty at the Weirs Riot in June.

Report of the Forest Fire Warden And Your District Chief

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircled our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush:
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 p. m.
 - c. If burning a field or brush, have equipment help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.
